

Hey there!

Thanks for thinking of us
for your wedding day.

This is what the
journey looks like.

1

We'd love to meet you!

Book a consultation with our head florist where she'll either sit down with you or have chat a via phone about your specific ideas and style.

It's super helpful to bring along any inspirational pics – Pinterest and Instagram are great for this. Don't be afraid to become addicted to social media and make sure you follow us!

2

Vision

Now that we know exactly what you're after we'll create your custom quote. It will be detailed and itemised.

This usually takes a couple of days.

3

You love what you see!

Congratulations you've chosen Thrive Flowers & Events for your wedding day!

Now to book and pay the 25% deposit and receive your personal vision board.

We are really excited to start planning the details, chat to your venue and see it all come together.

Yippee! You can relax and tick this off your list!

4

Let's catch up again

We'll meet at Thrive's studio or your venue to chat about any changes, make extra suggestions and nut out the finer details.

If you require, we're more than happy to offer you a trial, where we'll show you flower samples to help you visualise.

5

So close now - 30 days to go!

With the final payment now due, this is when we confirm everything and order your flowers so we can ensure you get the absolute best blooms!

Today is the day

Let's do this!

Thrive
Flowers & Events Pty Ltd

Maybe a standard package is more for you?

You won't need a consultation or a second meeting and can move straight from 3* to 5. Contact us if you require more information on our standard packages.

* Vision board not included.
